

THANK YOU FOR YOUR INTEREST IN PRACTICUM AT LAURA'S HOUSE!

BELOW FIND SOME USEFUL INFORMATION REGARDING OUR PROGRAM REQUIREMENTS THAT MAY BE HELPFUL IN YOUR SEARCH FOR A PRACTICUM SITE.

Laura's House serves as practicum site with a supportive agreement from the student's school. If we do not currently have an agreement we are happy to work with your school to determine if that can be implemented.

- Our practicum time duration is one full calendar year commencing late August to late August.
- We begin accepting resumes in January for early March interviews.
- Students are required to work 16-20 hours per week. No weekends are available at this time.
- Students are provided one hour of individual supervision and two hours of group supervision per week.
- Students may be placed at any one of our three locations which include: Aliso Viejo, Garden Grove and our emergency shelter which is located at a confidential location.
- Unfortunately, we are unable to accept student's from schools who are COAMFTE accredited due to the amount of practicum hours required.
- We are able to accept students who are enrolled in MFT and LPC programs at this time.
- Students are required to complete a 40 hour domestic violence training which is provided by Laura's House.

THANK YOU AND GOOD LUCK IN YOUR SEARCH
