

LAURA'S HOUSE RESALE STORE

Proceeds from your donations assist victims of domestic violence and help provide the necessary programs and services that empower our clients to break the cycle of violence and lead happier and healthier lives.

HOW TO BRING ITEMS IN

Preferred method is to bring donation items in shopping bags **(OR)** 10 gallon or smaller plastic bags. No hangers or boxed clothing due to limited storage.

Donation items must be freshly laundered, cleaned and in gently used condition, especially if items have been in storage.

Adhering to these donation guidelines ensures that we are able to process donations most efficiently, with the maximum amount of proceeds from the sales going back to the programs and services we provide.
